Child Protection Policy:

Due to Child Protection Laws it is illegal to film, photograph and publish photos or video footage of children under the age of 18 years without prior written consent of a legal guardian. What this basically means is that video filming or photography of students is not allowed. You may take a still photograph of your own child only, unless you have received permission from a parent to photograph their child.

Personal video filming of classes and performances at Dance Magic Academy is not allowed at any time, due to Privacy, Child Protection and Copyright Laws. These rules are in place for the protection of all the students at the Academy. Please adhere to these rules for the safety of our most precious assets, our children!

I agree to adhere to Dance Magic Academy's policies and to pay all fees as they fall due and I understand that failure to do so may result in the cancellation of attending future classes. All classes must be paid for whether attended or not. I understand that if there is an outstanding fee amount equivalent to 3 or more weeks students may not be allowed to participate in further classes.
